

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Abstract:

The present invention provides a bait station and method for securing it using a receptacle for holding a weight to weight a bait enclosure and by stakes formed as a unitary part of the enclosure for securing the enclosure.

2. The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose a method for securing a bait station, comprising the steps of providing a receptacle having an opening; placing weighted material in the receptacle through the opening of the receptacle; and placing bait designed to kill rodents in the plastic bait station.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
